Room 940 City-County Bldg.

Fort Wayne, IN 46802

Dear Mr. Gluck:

Thank you for this opportunity to provide a quotation on an IBM Computer System.

All IBM computers and peripherals supplied by CMI have been under continuous IBM maintenance and are eligible for the IBM Maintenance Agreement.

After signing of an order, all details are handled by CMI. We notify the local IBM field engineering manager, arrange for transportation, supervise the installation of the equipment and handle all the details necessary for re-issuance of the IBM Maintenance Agreement in your name. For all intents and purposes, dealing with CMI, a third party company, is exactly like dealing with the original vendor.

The equipment offered is: IBM 3350 B2 Direct Access Storage Device.

CMI's monthly lease rate includes:

A. Eligibility for the IBM Maintenance Agreement
B. Unlimited usage

The lease rate would be $929.00 for 36 months, $1,311.00 for 24 months or $2,463.00 for 12 months.

The lease rate is NET/NET/NET.

In addition to the lease selected freight would be $275.00; installation by IBM $425.00 and refurbishing if required $120.00.

The lease rate is contingent on final acceptance by our Finance Department pending a review of your most recent financial statements and credit references.

I look forward to providing this equipment for you.

Sincerely,

Roger McLean

From Jerry Schwartz

Subject Bid for 3350B2 DASD

COPIES TO:

I have reviewed the bids obtained from IBM Corporation and CMI Corporation for the 3350-B2 Direct Access Storage Device. Based on our desire for a two year lease plan, IBM provides a rental price of $941.00 per month while CMI is priced at $1311.00 or $370.00 per month less. Should the discontinuance of the 3350-B2 become necessary because of equipment changes the monthly fee for CMI is $2463.00 while IBM offers $1106.00 or a difference of $1357.00 per month. In addition, an installation fee of $425.00 and a separate maintenance agreement would be required with CMI, negating any advantage with their three year rental plan.

I recommend the acceptance of the IBM Corporation bid at $941.00 per month for a two year lease plan.
